

After years of owning and managing a professional janitorial cleaning service, I wanted to create a line of cleaning products that were effective yet safe for my clients, my employees and the environment. Creating the Green Paradise product line has allowed me to fulfill this goal. We are proud to bring you this powerful line of environmentally friendly cleaning products that we use daily in our business and thank you for choosing Green Paradise Products to do your part in making our world a healthier place.

# GREEN PARADISO™

*Get it Green Clean*

**ECO-FRIENDLY CLEANING SOLUTIONS**

## HEAVY DUTY DEGREASER

Green Paradise's Heavy Duty Degreaser is designed to tackle the toughest cleaning tasks from food service to industrial manufacturing. Yes you can have the best of both, an environmentally preferable product and super aggressive cleaning agent. Use this product on any water washable surface that requires powerful cleaning action.

Readily biodegradable and free from solvents, phosphates, butyls, caustics and acid.

**EFFECTIVELY REMOVES:** Grease, Dirt/Grime, Industrial Oils, Synthetic Lubricants, Graphite, Bake on Carbon Deposits, Kitchen Soils, Most Inks and Dye Transfer, Tough Stains Including: Blood, Red Drinks, Iodine

**USES:** Engines, Kitchen/Factory Floors, Machinery/Equipment, Tools/Parts Washing, Fire Restoration, Walls/Ceramic Tile, Fabric/Upholstery, Leather/Vinyl, Laundry/Carpet pre-spray, Stainless Steel, Metal Surfaces

## GLASS & SURFACE CLEANER

Green Paradise's eco-safe Glass & Surface Cleaner is an effective and economical choice for all cleaning personnel. Instantly cuts through smoke, grease & grime. This film-free product polishes any hard surface without fogging. Great for quick and easy touch-ups on any surface not harmed by water.

**BENEFITS:** Anti-Static, Dries Fast, Streak Free, Readily Biodegradable, Simply Spray & Wipe

**USE TO CLEAN:** Glass, Mirrors, Plastic, Plexiglas®, Computer Screens, Sinks, Appliances, Auto Glass, Chrome, Washable Surfaces

## LAUNDRY DETERGENT

Green Paradise's laundry liquid is an environmentally safe, phosphate free, readily biodegradable, powerful cleaning agent. It removes tough laundry stains and embedded grime. This low-sudsing formula brightens your entire wash, and is gentle to fabrics. Safe for use in septic systems and recommended for high efficiency washers. Green Paradise's Laundry Detergent is ideal for institutional laundry programs with detergent feed systems. Great fresh & clean scent.

## MULTI-PURPOSE CLEANER

This product goes way beyond your typical all purpose cleaner. Discover the power of Green Paradise's unique formula designed for hard surfaces and carpet cleaning. Green Paradise's Multi-Purpose product creates oxygen micro-bubbles to lift & remove difficult soils. It brightens as it cleans and rejuvenates surfaces and fabrics, naturally deodorizes and breaks down organic materials. Flexible formula can be used as your everyday cleaner, on heavy duty challenges and is contractor's #1 choice for carpet cleaning. Readily biodegradable and environmentally preferable.

**BENEFITS:** Uses Biobased Ingredients, Hydrogen Peroxide Fortified, Naturally Deodorizes, Septic Safe, Brightens & Rejuvenates Surfaces

**USE TO CLEAN:** Stainless Steel, Outdoor Furniture, Carpet Cleaning, Aluminum Siding, Floors, Spot & Stain Remover, Walls, Auto Scrubber Solution, Tile & Grout, Spray & Wipe Cleaner
